- VI. **Website Committee Report** to the Membership – Bob Froehlich, Chair [see written report in Public File]
- VII. **Open Time –Five minute statements and their dispositions** - Members, listeners, programmers, staff
  - Katie McGuire- Wants to thank the board sounds like it has been a tough year. Sad that we are losing another Station Manager. Understands that everyone has their own thing. Questions the job- is it too big a job? She thinks it is. We looked at it after Brenda. Katie was glad to see Sarah's Development Director description. KMUD really needs a DD. Katie would really like to see Sarah fill the DD position. Katie doesn't like the idea of an Interim. Katie has been an employee for a long time. And really knows how important it is to be appreciated. Please keep it mind to properly appreciate Staff.

- Felix Omai- Personal feeling about the DD position and the desire to hire a new SM. It was difficult for the Committee to make the recommendation. Neither job description was well defined. Felix feels very strongly about the continuity, and if there is any way to get Sarah to continue as Development Director.
- Johanna Hamel- Thanks for your service Board Members. Johanna is concerned about what is going in and what's coming out up North isn't very equal. We need an underwriter rep up there. Willing to do the County Fair up there. The whole county is up there for the fair even the Tea Party. Whatever happened to the survey? Wondering what happened to that. She goes in waves on listening a lot and really likes all the new shows
- Bud Rogers- Thanks everyone for sitting at the Board Meetings... know what they say about board meetings. During these times the economy isn't doing very well. Sad that Sarah is leaving. Makes Bud wonder if there isn't a pattern that we are missing. It s the Board's responsibility to come up with a solution that defines the problem accurately. We can't move forward as an organization if our leader is made to feel less than worthy. It behooves the board to find the solution for benefit of KMUD.

#### **VIII. Final call for Member Representative nominations for the Board**

- Nella White nominates Julia Minton
- Suz asks about the earlier nomination of Belinda White.
  - Nella said that she wasn't able to contact Belinda to ask for proof of membership. The Board did get a Letter of Interest from Belinda, but she isn't currently a Member as far as we are aware.
  - Suz moves that we keep Belinda as a nominee for a week and try to resolve the situation of whether she is a member. Jama seconds
  - The motion is amended to 48 hrs
  - Eight in favor, one abstaining
