

Proposed Timeline for Land Use Ordinance Development and Roll-Out

2014		2015					2016	2017
Nov	Dec	Jan	Feb	March	April	May		
Stakeholder Meetings 11/15 First Draft	CCV Meet with County staff to get input Public Input : Community Meetings	Final Draft Gala/ Signatures	Signature gathering (2/27 = Deadline for introducing state legislation)	Board of Supervisors approve cannabis land use ordinance	Ordinance on the books	1st permits issued	November: CA legalizes cannabis	Summer/Fall County adjustments to align with state regulations

The rationale for this (admittedly ambitious) timeline is based on the premise that California voters will vote to legalize recreational use of cannabis in November of 2016. Having a land use ordinance in place at that time will strengthen the county's position when state regulations are put in place in 2017.
